

Step 4—Using a 5" x 5" block on the wrong side of the fabric, draw a diagonal line through the center of the block. Place the 5" x 5" block, right side down, on the corner of the 6.5" x 6.5" block as shown. Sew on the drawn line.

Step 5—Place the 5" x 5" block, right side down, on the corner of the 6.5" x 6.5" block as shown. Sew on the drawn line.

Step 6—Trim the 5" x 5" block, 1/4" from the sewn seam. Press the block flat. Square up sides to 6.5" x 6.5" as needed

Step 7—Sew on your preferred trim over the seam line on the right side of the fabric. Your block is now ready to use.
