

BLOCK OF THE MONTH - January, 2018

The idea with this block is to use the 4" block in the center as your color inspiration for the rest of the block. Try to keep the top and bottom rows a solid (or almost) and the two narrow strips should be a black and white print.

You will need to cut:

Focus fabric (center block A) 1 @ 4-1/2" square

B - 4 @ 4-1/2" X 2-1/2"

C - 2 @ 1" x 12-1/2"

D - 2 @ 4" x 12-1/2"

Sew A and B pieces together to form the center row. The resulting piece will be a good check of your 1/4" seam because you then join it to the 12-1/2" C pieces and then to the D pieces.
