

## CVQG BLOCK OF THE MONTH for JANUARY, 2020

### FABRIC REQUIREMENTS - CUT

Color A (background) 8 @ 2-1/2" x 4-1/2" AND 4 @ 2-1/2" square

Color B: (flower/star) 4 @ 2-1/2" x 4-1/2" AND 12 @ 2-1/2" square

Center: 4-1/2" square (The quickest option for the center square is a single piece which does not have to be the same as color B. The original design is called a Squash Blossom, and calls for an hour-glass block in the center, but please be creative and design your own.)

### ASSEMBLY:

Make 4 flying geese blocks using 4 of the 4-1/2" x 2-1/2" color A pieces and 8 of the 2-1/2" square color B pieces.

Make 4 half-square triangle blocks using 4 each of the color A and color B 2-1/2" squares.

Lay out the cut/assembled pieces as per the diagram.

Sew together each row.

Sew the rows together.

You should have a 12-1/2" square block to turn in.
