

## **Color Pop Quilt** (6 hour class)

Pick a color and use free-form/improvisational piecing to create a small quilt top. Then slash through it to add a pop of color. Learn and use free-piecing techniques for straight line and easy curved seams. This is a fun class for all levels of quilters.

### **Class supplies:**

#### **Fabric:**

- At least 10 fat-eighths OR large scraps of mostly medium value fabrics of 1 color (blue, red, yellow, etc.)—hand-dyes, tone-on-tones, and very subtle prints work best
- 1/4 yard of a contrasting color for the pop
  
- Sewing machine in good working order
- Thread to match your main color of fabric
- Rotary cutter, ruler, and mat
- Fabric scissors
- Straight pins (glass-head extra-fine pins recommended, such as silk .5 mm size)
- Seam ripper (just in case)
- Flannel or batting for design wall
- Pencil and paper
- Small paper bag for thread and fabric trimmings
- Any other sewing supplies that you like to have at hand
