

## “Fortune Cookie”

Each participant will receive a fortune cookie and a fat eighth of the featured fabric. Challenge Quilt kits will cost \$3.00. Participants will open their fortune cookie and use the fortune to inspire their challenge quilt! The featured fabric must be used in the design. The featured color of the year for 2022 is red batik. Red represents fire and is the most popular color in China. It is the national color representing happiness, beauty, vitality, good luck, success, and good fortune.

### GUIDELINES:

1. Make a quilt that expresses your fortune.
2. You must include a minimum area of five square inches of this color on the front of your quilt. This can be several smaller pieces that add up to a total of five square inches. You can, of course, use more than five inches if you choose. The featured fabric will be included in your Challenge Kit. Challenge kits will cost \$3.
3. The minimum perimeter of your finished quilt is 60 inches; the maximum perimeter is 120 inches.
4. Your quilt must have three layers, stitched together with finished edges and be basically flat to hang, using safety pins, on a fabric wall (not 3-dimensional or wearable art). Embellishments should not extend more than 1/2 inch from the surface. A sleeve is optional.

All are invited to join in this joyful theme to make our Desert Guilds Quilt Show Challenge Competition one to remember!
