

CVQG BLOCK OF THE MONTH

Instructions for September, 2023, meeting
Drawing at October meeting

Fabric Requirements:
Make sure they contrast.

Cut:

Fabric A: 4 @ $3\frac{1}{2}'' \times 9\frac{1}{2}''$
2 @ 4" square
Fabric B: 4 @ $3\frac{1}{2}''$ square
2 @ 4" square

Construction:

Reminder - take care to make sure you get the diagonals facing the correct way!

To make the center pinwheel, layer an A and a B 4" square

right sides together, draw a diagonal line through the center and sew $\frac{1}{4}''$ away from the line on either side. Cut apart on the line, press open. Do it again with the other 4" squares and then trim the resulting 4 squares to an exact $3\frac{1}{2}''$ sq. Assemble the 4-patch pinwheel; press open.

To make the surrounding rectangles, position a $3\frac{1}{2}''$ B square, right sides together at the end of an A rectangle. Draw a diagonal and sew on the line. Trim away the excess and press open. Make 4.

Attach them to the center pinwheel using the partial seam technique.

Press towards the rectangle.
 $12\frac{1}{2}''$ block to turn in.

Partial Seam Example
